

No. Goa-IDC/ED/e-Auction /R-10/2026/1433

Date:- 07/09/2026

CORRIGENDUM

Ref.: E-Auction Document No. GIDC/26-27/R-10/02 dated 12/08/2026

With reference to the above e-auction document for allotment of plots at Verna Industrial Estate, it is hereby informed that the restriction on allotment of plots for **warehousing and logistics activities** is hereby **withdrawn**.

Accordingly, the plots at Verna Industrial Estate shall not be restricted exclusively to manufacturing units, and **warehousing and logistics activities shall also be permitted**. Further, **Clause 3.2.1 of the e-auction document shall be read to include activities under 2(1), (1), (V)** logistics parks and dry ports including multi-modal logistics parks and transport terminals such as inland container depots, air freight stations, container freight stations, with or without support storage facilities; or **and**

(VI) storage facilities including;-

(A) warehouses, including godowns, both open or closed developed for handling and storage of cargo in bulk or break-bulk form; or

(B) silos, built as vertical storage structures for storing bulk cargo in both solid and liquid form; or

(C) cold chain facilities, developed for storage and minimal processing of perishable or temperature sensitive cargo having controlled or modified atmosphere chambers, variable humidity chambers, quick or blast freezing mobile pre-cooling vans, reefer vehicles and facility for weighing, sorting, grading, packing, pre-cooling, fog treatment and other processes; of the Goa Industrial Development Corporation (Allotment, Transfer and Sublease) Regulations, 2023.

All other terms and conditions of the e-auction document shall remain unchanged.

**(P. Pravimal Abhishek, IAS)
Managing Director**
